This is a part of a letter you have received from your Australian friend, Ben:

...Last weekend I went to a concert of my favourite band. It was magnificent! I admire the voices of the singers. They made a fire show and I was able to stay very close to the stage! And yesterday I wrote a letter to their fan club and thanked them for that wonderful performance.

Which famous people do you admire and why? Have you ever belonged to a fan club? Have you ever written a fan letter to anyone who you admire?

Write a letter answering your friend's questions. Do not forget to:

- greet your friend
- tell him about the famous people you admire, explain why
- say if you have ever belonged to a fan club and written a fan letter to anyone who you admire
- remember the rules of letter writing
- You should write about **100-120 words**.

Hello, dear Ben,

Haven't seen you for ages. How's your life going? I have just received your letter. I am very glad for you. I think that's very cool to be right in front of such famous people. As for me, I am also a big music fan.

pref. In the past I liked many of bands, but in any time I admired Linkin Park with Chester Bennington the most. He, with his band, makes astonishing music, that is admired by millions of people. But the news about his suicide was really disappointing for me and my friends. As I belonged to their fan club, I wrote a letter to them, in memory of Chester. And now, sorry, but I have to leave. I hope I'll see you soon.

Best wishes,

Egor
