**WRITING**  
**Time: 30 minutes**

You have recently seen this notice in an English-language magazine called *The World of Cinema*:

**Reviews needed!**

Have you watched any British or American film recently? If so, could you write us a review of the film you watched? Include information on the cast, the story and the camera work and say whether you would recommend the film to other people. The best reviews will be published next month.

Write your review. Use 150-200 words. Transfer your review to the answer sheet.

Yesterday my friends and I went to watch a new Marvel film, it is called "Thor: Ragnarok", so I would like to write a review of it. The film, as I have mentioned, <sup>was</sup> produced by the American company "Marvel", it is the third <sup>(sequel)</sup> part of the story about Thor. The plot is based ~~to~~ on the Scandinavian legends, the main characters are the gods of Asgard. The action takes place both in Asgard, the ~~kingdom~~ kingdom of these gods, and in modern America. The cast is outstanding, <sup>such</sup> ~~many~~ actors as ~~great actors~~ like Tom Hiddleston and Benedict Cumberbatch took part in the film. It's hard to say anything about the camera work because the major part of the action takes place in ~~outer~~ space, so the graphics ~~is~~ <sup>was</sup> ~~mostly~~ made mostly on the computer. I liked the story of two brothers Thor and Loki, struggling with their family problems and the apocalypse at the same time. They have to save Asgard from their evil sister, stop Ragnarok ("the end of everything") and find out if they can trust each other.

YOU CAN USE THE OPPOSITE SIDE

~~If you to so, if you love~~ <sup>whether</sup>

3-1-2-2-1-1 = 9

I'm completely sure <sup>that</sup> this film is worth watching, so go and get your tickets now.
