Writing 9-11

I don't usually watch films but one of the Oscar nominated films really caught my attention. I've recently watched an animated film called "Zootopia" which is absolutely amazing!

Firstly, "Zootopia" is about making your dreams come true and finding your own place in life. The story tells us about a little bunny who is dreaming of becoming a policeman. But she has to go through lots of challenges in order to do it.

Secondly, the plot of the story touches a pretty sensitive topic of equality. There are so many different kinds of animals in Zootopia but everyone is equal and they are just trying to enjoy their lives.

One of the main reasons to watch this film for me was Shakira as she was voicing a pretty interesting character. However, now I have many other reasons to recommend it to other people. The atmosphere of the film, all the splendid bright colours and sound effects make a great impact on the viewers!

You may think that a cartoon ~~is~~ not even worth watching but there is definitely a good reason it was an Oscar nominee. Everyone can find something to think about after watching "Zootopia" as there is a great number of truly important topics.

$$3 - 2 - 2 - 2 - 1 = 10 \text{ MR}$$
