Dear Ben,

Thanks for your letter. I was glad to hear from you again.

It was interesting to learn about your country. In your letter you asked me a lot of questions, and I'll be happy to answer them.

As for me the best thing about Russia is nature. It varies from region to region and its diversity is amazing. Here you can see the endless steppes, the boundless Siberian taiga, the beautiful Black Sea coast, the majestic mountains of the North Caucasus and much more. I'd definitely miss it if I lived abroad.

Another thing I'd miss if I lived in another country is our traditional food. Our pancakes and soups are incomparable. A lot of foreigners adore our national food when they try it here. Well, our dishes are both nutritious and delicious.

Sorry, I got to go, my mum asked me to tidy my
